A

A Couple's Journey (Campbell), 60

A General Theory of Love (Lewis & Amini), 53, 188, 306

A Path with Heart (Kornfield), 305

abandonment, 98–99

abandonment depression, 5, 159, 245–264

depressed thinking, 251

dissociation, 248–249

flashback management tools, 259–263

healing depression, 254–255

hunger and depression, 255–256

and mindfulness, 251–252

necessary suffering, 258

pseudo-cyclothymia, 256–257

reactivity cycles, 246–247, 248–249

self-abandonment, 249–250

somatic awareness, 252–253

somatic healing, 253–254

triggering in reverse, 247–263

abandonment healing, 235–236, 265–294

co-counseling, 291–293

collaborative rapport repair, 280–288

dialogicality, 274–280

empathy, 269–270

finding a support group, 290–291

finding a therapist, 288–291

relational dimension of therapy, 266

relational healing, 266–269

vulnerability, 270–274

abandonment mélange, 5, 248

ADD, 118

addiction, 95

see also self-medication

advanced flashback management, 159–164

all-or-nothing thinking, 70–71, 74

Amini, Fari, 306

Anderson, Susan, 306

anger, 178–181

angering, 222–225

and crying, 227–230

and fear and shame, 222–224

repetition compulsion, 224–225

attachment disorder, 50, 108–109

attachment needs, 96–98

attention deficit disorder, 118

B

basic flashback management, 146–159

Bass, E., 305

belonging, 38–39

Betrayal of Innocence (Forward), 306

Beyond the Marriage Fantasy (Beaver), 57

bibliotherapy, 303–308

Boon, Suzette, 120

borderline personality disorder, 137–138

Bowdon, Julie, 305

Bradshaw, John, 4, 53, 306

brain neuroplasticity, 188–189

Brown, Byron, 306

C

Campbell, Joseph, 81

Campbell, Susan, 60

Capacchione, Lucia, 307

catastrophizing, 98

charming bully, 110–111

children having flashbacks, 164–165

Children of Trauma (Middleton-Moz), 306

co-counseling, 291–293

codependency recovery, 129–144

codependent subtypes, 134–138

fawn origins, 130–133

narcissist in codependent clothing, 112

polarized fawn response, 138–144

trauma-based codependency, 133–134

see also fawn type

codependent defense, 122–123, 278

codependent subtypes, 134–138

and dialogicality, 278

fawn-fight, 137–138

fawn-flight, 136–137

fawn-freeze, 134–136

scapegoat, 134–136

smother mother, 137–138

super nurse, 136–137

cognitive healing, 24–28

developmentally arrested healthy ego, 26

psychoeducation, 26–27

shrinking the critic, 25–26

collaborative rapport repair, 280–288

abandonment into intimacy, 283–285

earned secure attachment, 285–286

rescue from the critic, 286–288

collapse response, 119

Compassion and Self-Hate (Rubin), 306
